

Primary student use of mobile phones and personal devices

Echunga Primary School

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and Echunga Primary recognise that we live in an increasingly connected world and that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Personal devices are to be handed into the school office as soon as the student enters the school grounds. Front office staff have a storage box that the device will be placed in, which will then be securely stored for the duration of the day. It is the students' responsibility to visit the front office and pick up the device at the end of the day.

If the student does not comply

If a student does not comply with this policy and is found to have a personal device during school time, the device will be confiscated and stored in the secure storage box. Parents / caregivers will be notified by a staff member on the day.

Should a student demonstrate repeated non-compliance to this policy, in accordance to our Behaviour Policy, consequences will include:

- Office time-out and reflection
- Internal suspension
- Parent meetings
- Suspension – followed by a re-entry meeting and creation of a Student Development Plan
